ESP
Laura Kraning, 2024
RT: 02:45 minutes

The Big Day of Coloane
Keng U Lao, 2023
RT: 17:30 minutes

What happens to our bodies in an age of disembodiment? A program of short experimental films about the roles our bodies play, the data they generate, the avatars they adopt, and the traces they leave behind. Films that ask if we're evolving into something new, or just heading for extinction.
